UN Climate Change Conference - COP 30 - Belém, Brazil

Showcase of Highlighted Results & Solutions Round Table on Mobilising Climate Financing for Social Protection and Sustainable Food Systems Concept Note

DATE: November 18, 2025

TIME: 10:30 – 11:30

ROOM: Thematic Room Axis 5

Organized by Instituto Clima Sociedade (iCS), Global Alliance against Hunger and Poverty, Global Network Against Food Crisis, Taskforce Linking Adaptive Social Protection and Climate Financing.

Event Description:

This roundtable will delve into the state of the portfolios of major climate funds, highlighting the work already being done in financing policies against hunger and poverty, including through social protection and promoting reflection on how to increase this share by supporting programmes that address this issue, including in the most climate vulnerable and fragile contexts.

Headline:

In response to climate change worsening global hunger and poverty, major green funds will meet in Belém to mobilize climate financing for social protection and sustainable food systems.

List of speakers:

- Timmy Dooley, Minister of State at the Department of Agriculture, Food and the Marine, Ireland
- Gaia Hasse, Project Coordinator, LaClima
- Climate Fund representative (tbc)

Target audience:

Multilateral Climate Funds

Organisers:

- Instituto Clima Sociedade (iCS)
- Global Alliance against Hunger and Poverty
- Global Network Against Food Crisis
- Taskforce Linking Adaptive Social Protection and Climate Financing

Key results:

- Present mapping of climate adaptation projects related to social protection, food systems and other country-led policies that promote reduction of hunger and poverty.
